

FOREWORD

Have you ever wondered why a holiday is so much fun? It starts with the first thought of "we need a holiday". Then the first phone call or email and finally, the children's excited, beaming faces. After this, pure joy, because THIS year, we are going to Drakensville, which means sunbathing, dripping ice cream, cycling, a water worm, swimming until my fingers wrinkle up, waking up without an alarm, bring and braai, and family time. It's rest. It's relaxation. It's laughing together. Photos. Holiday memories. It's Drakensville.

A warm welcome to every guest here at our mountain resort. The long wait is over and the holidays are here! Drakensville's staff is once again ready to transform your holiday into an unforgettable experience with their hospitality and kindness. Here, in the majestic Drakensberg Mountains, ATKV Drakensville is the ideal place to loaf around for a while. May you leave here refreshed, with renewed strength and pleasant memories, until your next visit with us.

The Drakensberg Mountains offer different attractions, which means that everyone can shake off their stress in their own way. Soothe it away or play it away! Enjoy all the opportunities in our area and, especially, the exciting activities on our holiday programme. There is something for every family member. If you would rather just sit back and relax – take the mountain air in deeply and experience the splendour of the creation around you.

Drakensville is not only proudly located close to a World Heritage Site, but we now also offer different culture tours during the holiday; journeys to the past and present.

Water in our beautiful country is a rare resource, and Drakensville tries diligently to prevent wasting water. Help us to appreciate and protect this very rare resource, so that we can all save water.

Also enjoy the spoils prepared by the Koswerf Restaurant staff. There are also a few Koswerf activities that form part of our holiday programme. Keep your eyes open!

During the holiday, lots of pictures are taken and we invite all of our guests to use the photo frames on and around the resort. Use the hashtag #drakensville when you post photos to social media.

Kind regards

Petré Theron
Resort Manager
